

USIDNET Chart Reimbursement
Submission Form

United States Immunodeficiency Network (USIDNET) Registry administered by the Immune Deficiency Foundation (IDF)

Participating institutions in the USIDNET protocol, "A Registry of Patients with Primary Immune Deficiency Disorders", are eligible to receive reimbursement for entry of data from patient charts into the USIDNET Registry. The USIDNET Steering Committee will review this submission form prior to agreeing to reimburse for the following patient records.

Date: _____

Investigator: _____

Enrolling Institution: _____

Address: _____

City/State: _____ Zip Code: _____

Telephone: _____ Fax: _____

Requestor Email Address (optional): _____

1. Please enter an estimated total number of consented patient charts your site plans to enter into the Registry for the calendar year: _____
2. Please enter the estimated Primary Immunodeficiency diagnoses and amount your site plans to enter into the Registry for the calendar year in the chart below:

Diagnoses	Amount

3. Upon completion of this form, please send to: Julieann Magnusson, USIDNET Registry Manager
jmagnusson@primaryimmune.org

***Please review the reimbursement eligibility and rates below**

Reimbursement eligibility will be based on:

- The enrolling site must provide USIDNET with an estimated number of consented patients and their diagnoses for prior approval.
- An-IRB approved protocol and consent must be in place.
- The consent must be signed in accordance with local rules.
- Data for all red-colored fields and at least 90% of green-colored fields in the USIDNET Registry must be entered.
- Principle Investigator at the enrolling institution must approve the entered data and set the record as "complete".
- Re-consented Legacy Patient charts will be reimbursed in the same manner as new charts.

The rate of reimbursement per chart:

- \$100 for each initial patient entry that meets the 90% completion criteria.
- \$50 for follow-ups occurring every 2 years that contain updated labs, medications, and any intercurrent illnesses.
- ADA SCID updates occur at 1-year intervals and are reimbursed at \$100 per update.
- Re-consented Legacy Patient charts will be reimbursed in the same manner as the new charts.

**Reimbursement is contingent upon availability of grant funds*
